

OTCBB Eligibility Status Report as of Nov 20, 2009

Each trading day, FINRA publishes a list of OTCBB issuers that are repeatedly late or otherwise delinquent in filing required reports and, thus, subject to ineligibility pursuant to FINRA Rule 6530(e).^{*} Specifically, the list identifies OTCBB issuers that have either been delinquent in filing required annual and quarterly filings at least two times in the prior two-year period and those issuers that have been removed for failure to file an annual or quarterly filing at least once in the prior two year period.

Further information regarding NASD Rule 6530(e) can be viewed on the website at:
